DAT 650 Milestone Three Guidelines and Rubric

Overview: You will submit a pilot plan. Create and execute a pilot plan in which you implement and test your strategy using the available data. In other words, run the available data through your architecture to ensure that the process is smooth and the results are as needed.

Prompt:

I. Model Creation

a. Document a **pilot plan** in which your descriptive and predictive iteration strategy will be implemented. Execute and **test** your strategy using the available data. Continue to iterate and run the available data through your architecture until you ensure that the process is smooth and the results are as needed.

Rubric

Guidelines for Submission: Your paper must be submitted as a 2-page Microsoft Word document with double spacing, 12-point Times New Roman font, and one-inch margins.
